WHAT IS THE PTSA?

The Parent, Teacher, Student Association is a national, non-profit advocacy organization that works to promote the improvement of health, welfare, and education of our children. Our local unit here at Rose Hill Elementary works hand in hand with the Principal and staff to achieve these shared goals at our school.

WHO CAN JOIN?

Parents, guardians, relatives and community members are all welcome.

WHY JOIN PTSA?

Your membership fee not only supports our local programs and helps us reach out to our community, but also helps the Washington State PTA and the National PTA to speak on behalf of our children for a better educational environment.

Increased membership means a stronger voice will be heard by our state legislature. In order to accomplish this mission, PTSA needs your support! By joining you also gain another communication line between your family and your child's school through regular emails and our monthly Pawprints newsletter informing you of current events at RHE.

DO I HAVE TO VOLUNTEER?

NO. The RHE PTSA encourages parent and community involvement to support our children in their academic and social education; however, becoming a member of the PTSA does NOT mean that you must commit to volunteer hours or attend every meeting - we respect that you do only what you can, when you can. Volunteer for 5 min or all year, whatever you can – NO guilt!
